1 hour show and sound equipment included.

#### *CLASSICAL MUSIC:*

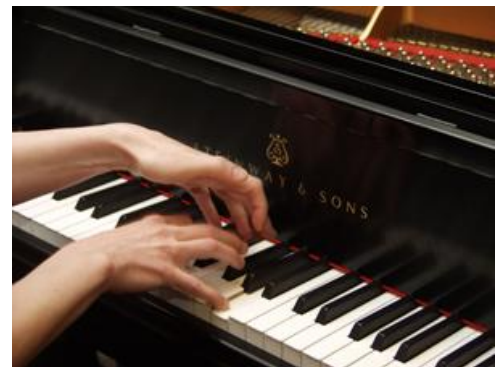

We offer different groups of classical music, from 2 to 5 musicians. The suggested instruments are: guitar, violin, flute, piano, cello, harp, etc... With or without a female voice.

#### *PIANIST:*

Experienced pianist with a wide classical and jazz repertoire. It does not include piano. Suitable in all kind of social events.

Price: 280 €

## FOLCLORE

Groups and formations of great cultural trajectory.

- *ROCIERO CHOIR*
- *MARIACHIS*
- *BALL DE BOT*
- *TUNA (Student music group)*

## ANIMATIONS AND CREATIVE SERVICES

### *LOOSE OF BALLOONS:*

The release of balloons at a wedding will fill the sky with good wishes and will be one of the most magical moments of the wedding.

**Includes:** 150 balloons, 100% biodegradable, swollen with helium, includes gel to lengthen the durability of the balloon and also biodegradable cotton ribbon. Distributed in the form of bouquets or balloon centers until the moment they are distributed among the guests.

### *JUSTICE OF THE PEACE:*

Actor in charge of carrying out the civil ceremony, just as a justice of the peace would do. Given the brevity of the civil ceremony, it is recommended that some of the guests or relatives read some words for the couple.

Note: In case the bridegrooms do not want, nobody will suspect that the ceremony has been officiated by an actor and not by a councilman.

Spanish, Catalan and English  
Availability in other languages.

### *THE FAIRY OF THE FLOWERS*

Stilt walkers dressed on spectaculars fairy costumes, an original way to receive the guest when arriving at the aperitif. They will throw rose petals or will give a flower to the attendees. Duration: 60 minutes. Several types of clothing are available. See options depending on the theme of your event. Please take note that flowers are not included.

### *INFILTRATE WAITER*

In this animation the actor will be disguised as a regular waiter and will be infiltrated with the rest of the catering staff. The show consists of the staging of different gags during the service until the dessert, when the joke is discovered. In a subtle way, the actor will joke with the guest without damaging the sensibility of any of the attendees.

### *CARICATURIST*

The aim of this service is to be a reminder of the event. The caricaturist will paint a portrait of the guests, individually or in small groups. This can be done during the cocktail reception, during the banquet dinner... The sheets can be personalized with anything that the customer may wish. The maximum number of people that can be painted is approximately around 80. Personalized sheets are not included.

### *PHOTO BOOTH:*

It is a mobile cabin which incorporates a video camera, a new way to keep and remember moments. We use first brands (CANON) and sublimation printing make the result of the photos like the ones of a laboratory, and for its dimensions it can be installed in any environment, both inside and outside. The curtains give a touch of privacy that makes spontaneity arise at all times (a kiss, a wink, a grimace ....) without being seen and conditioned in front of the open photo booths that restrict our action. Duration: 2 hours.

- Assembly and disassembly of the cab.
- Displacement
- 2 hours of service with technician
- Photographs without limit of impression
- Customizing photo formats
- DVD compilation of all photos or digital link
- Basic Album
- Props

## SPECIAL EFFECTS

### *FIREWORKS:*

We could provide all the colors that your party or celebration needs. The fireworks are assembled in boxes of 40 second of duration. The best option is to launch them in the aperitif, just before it gets dark (4-5 boxes are recommended). It is essential to have permission from the resort and to valuate if the location is appropriate for the firework)

#### **Recommended package for the fireworks:**

- 2 small boxes
- 2 big boxes
- Technician

### *SPARKLER:*

The sparkler is a product that is used both indoors and outdoors. For their safety, they are devices activated by electric current, therefore the sparks produced do not burn (hence the name of cold pyrotechnics), and the smoke resulting from combustion is practically nil.

- Height 2 mts. and duration 30 sec.
- Height 5 mts y duration 10 sec.
- Height 8 mts y duration 5 sec.

4 flares + technical

8 flares + technical
